

Sean

Assembled at 45°, with a rosewood veneer that rotates around the entire cabinet giving a sense of continuity, the Sean night table features the presence of sloping legs with brass tips and handleless drawers with bronzed brass band. A combination of vintage, warm and natural materials for an elegant and cozy bedroom.

Night table with structure in beech wood veneered in rosewood with glossy finishing. Legs in black lacquered finishing. Details in bronzed wood.

Structure in beech wood veneered in rosewood with details in bronzed wood with a glossy finishing. Legs in black lacquered finish. Details in bronzed wood.
