

# Sean

## DAY FURNITURE

---

The essential aesthetic meets the urban suggestions and the vintage references in the Sean showcase. A piece of furniture characterized by an interesting combination of materials with different chromatic effects, such as Tay wood tinted smoky grey and bronze finish on the central strip and on the base.

Showcase with structure in Tay wood tinted smoky grey. Doors and shelves in smoky glass. Wooden handle. Back covered in gress Calacatta Maximum. Base and central band in wood with bronzed finishing. Internal led spotlights.
